

## Carsten Däweritz remains CFO of Evolva

**Reinach, February 28, 2022** – Evolva AG (SIX:EVE), a pioneer in the field of natural molecules and industrial biotech, has transformed in recent years from a R&D stage company to a commercial company with an innovative specialty-fermentation platform and a product-based revenue model. The next phase of development will focus on commercializing the company's product portfolio as well as further developing the organization and production network.
