About HIAG

HIAG is a leading real estate company listed on the SIX Swiss Exchange, with an investment property portfolio worth a total of CHF 2.0 billion. The property portfolio comprises 41 sites with well-developed office, commercial and logistics properties as well as attractive residential properties in the growth regions of German-speaking and French-speaking Switzerland. The outstanding development pipeline allows for continuous and sustainable growth over the coming years. HIAG generates stable rental income with its in-house property management, and creates holistic living spaces of the future for people and companies with potential for value appreciation in the long term through active portfolio management and project development on its sites.
