Zurich, 4 October 2022

The Burkhalter Group is strengthening its presence in Bern by purchasing Burgdorf-based Pauli Elektro AG. The company has been successfully offering traditional electrical engineering services on the regional market since 1937. The previous Managing Director, Heinz Lüdi, will continue to assume this role in future. The employees' jobs will be retained.

With this acquisition, the Burkhalter Group is consolidating its presence in the canton of Bern, where it is already represented by seven other electrical engineering companies. It remains part of the Burkhalter Group's strategy to gain additional market share by selectively acquiring other electrical engineering companies.
