

Ad hoc announcement pursuant to Art. 53 LR

Schlatter IT systems back in operation after cyber attack

Schlieren, August 20, 2024. Schlatter's IT network was attacked by malware on Friday, August 9, 2024. In collaboration with external experts, the internal ICT specialists were able to make the systems available and functional again, so that they have been back in operation since Monday, August 19, 2024.

Schlatter Group (www.schlattergroup.com)

The Schlatter Group is one of the leading specialists in plant engineering for resistance welding systems as well as weaving and finishing equipment for the production of paper machine clothing, wire fabrics and wire mesh. Thanks to its many years of experience in the field of plant technology, its innovative strength and its reliable service, the Schlatter Group – which is listed on the Swiss Reporting Standard of SIX Swiss Exchange – guarantees its customers a range of powerful and high-quality production equipment.

This media information contains certain forward-looking statements, e.g. statements using the words "believes," "assumes," "anticipates," or formulations of a similar nature. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which could lead to substantial differences between the actual future results, the financial situation, the development or performance of the Company and those either expressed or implied by such statements. Such factors include, among other things: competition from other companies, the effects and risks of new technologies, the Company's continuing capital requirements, financing costs, delays in the integration of acquisitions, changes in the operating expenses, the Company's ability to recruit and retain qualified employees, unfavorable changes in the applicable tax laws, and other factors identified in this communication. In view of these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. The Company accepts no obligation to continue to report or update such forward-looking statements or adjust them to future events or developments.
