DKSH Partners With 2C2P to Enhance Patient Support Programs in Asia

DKSH has started a collaboration with 2C2P to provide payment solution programs with the aim of promoting affordability and accessibility of medications and medical devices to patients across Asia.

Singapore, February 21, 2023 – DKSH Business Unit Healthcare, a leading partner for healthcare companies seeking to grow their business in Asia and beyond, has entered into a partnership with 2C2P, a full-suite payment platform provider, to build new payment capabilities for DKSH's patient engagement management platform, PSPhere. The collaboration helps to make medication and medical devices more affordable and accessible for patients. By partnering with 2C2P, patients on PSPhere can apply for rebates, installment plans, and e-wallets in a secure and compliant manner.

Headquartered in Singapore, 2C2P offers payment services to enterprises operating in Asia and beyond. 2C2P aggregates over 250 international and local payment providers, card schemes, and financial institutions, onto their platform, to enable businesses from all sectors to accept various payment methods securely through one point of integration.

DKSH's PSPhere, a digital patient engagement platform for patients and healthcare players in Asia Pacific, seeks to orchestrate the digitized patient journey by bringing all players in the healthcare ecosystem together, while putting the patient at the center of all efforts. Patient access, adherence, and convenience programs are part of the core offering of digital products available on PSPhere. Ensuring access to critical life-saving as well as chronic disease care is one of the missions of the PSPhere offering.

Mr. Piyachart Ratanaprasartporn, Chief Executive Officer of 2C2P Thailand, said: "We are excited to work with DKSH to transform the patient care journey. We believe that the collaborations can make a difference in the lives of patients, and we look forward to leveraging our partnership to contribute to the healthcare industry."

Colin Lopez, Partnerships Lead, Patient and Payor Solutions, DKSH, stated: "We are excited to be working with 2C2P to develop new and innovative financial assistance solutions that serve PSPhere's patients, healthcare providers, and clients. This partnership is one of the milestones reflecting our commitment to enriching people's lives and improving healthcare for all."

About 2C2P

2C2P is a full-suite payments platform helping businesses securely accept payments across online, mobile and offline channels, as well as providing issuing, payout, remittance and digital goods services. The company has dual headquarters in Singapore and Bangkok, and operates across Asia, Europe and the US. It is the preferred payments platform of tech giants, online marketplaces, retailers and other global enterprises. For more information, please visit: www.2C2P.com.

Launched in August 2019, easy2send is a remittance service from 2C2P that allows users to perform cross-border money transfers or cross-border payments easily. easy2send offers a faster, more affordable, secure, and convenient alternative to traditional remittance services.
