The event welcomed more than 100 attendees, including honored business partners, DKSH executives, and employees.

The “Sustainability Partner Appreciation Award” recognizes partners who have demonstrated outstanding engagement in sustainable practices and who continue to collaborate with DKSH to enhance environmental responsibility across the value chain. Fifteen leading corporate partners from all Business Units – Consumer Goods, Healthcare, Performance Materials, and Technology – were honored for their commitment to responsible operations, collaborative sustainability initiatives, and long-term environmental stewardship.
