DKSH Taiwan Wins Bronze at the “Taiwan Sustainability Action Awards 2025”

DKSH Taiwan has clinched Bronze at the 5th “Taiwan Sustainability Action Awards 2025” for advancing social inclusion and sustainable community impact. Standing out among over 500 submissions nationwide, this recognition underlines DKSH’s commitment to sustainability.

Taipei, Taiwan, September 12, 2025 – DKSH Taiwan, a leading provider of Market Expansion Services in Asia and beyond, has been awarded the Bronze distinction in the category SDG 3 “Good Health and Well-being” at the 5th “Taiwan Sustainability Action Awards 2025” for its outstanding contributions to social inclusion and sustainable community development. Winning this honor underscores the company’s commitment to creating long-term, positive social impact.

Organized by the Taiwan Institute for Sustainable Energy, the “Taiwan Sustainability Action Awards” is one of the country’s most prestigious honors, recognizing organizations that advance the 17 United Nations Sustainable Development Goals (SDGs) and encourage the integration of sustainability into business operations and community development.

DKSH Taiwan was recognized for actively advancing age-friendly and inclusive care as well as positive local development, as the company has implemented 18 initiatives aligned with SDG 2 “Zero Hunger”, SDG 3 “Good Health and Well-being”, SDG 4 “Quality Education”, and SDG 10 “Reduced Inequalities”. By partnering with more than 13 nonprofits and social welfare organizations, the company has generated tangible impact through sustainability and philanthropic programs. Looking ahead, DKSH Taiwan remains committed to strengthening its sustainability objective to create positive local impact by focusing on hunger alleviation, improving healthcare accessibility, and enhancing life-skills development.

Wennie Chang, Head of Taiwan Leadership, DKSH Taiwan, said: “We sincerely thank the organizers and industry leaders for their recognition and support. Receiving the ‘Taiwan Sustainability Action Award’ is an encouragement that reminds us only continuous action can bring real social change. We will use this momentum to drive cross-sector collaboration, narrow gaps in food, healthcare, and education, and build a future defined by greater well-being and resilience.”
