DKSH Vietnam Recognized in the 'Top 50 Corporate Sustainability Awards' for Its Enduring ESG Commitment

DKSH Vietnam has been recognized at the “Top 50 Corporate Sustainability Awards 2025” for the third consecutive year. This year’s honor in the category “ESG Leadership” highlights the company’s strategic commitment and effective execution of ESG principles across its operations.

Ho Chi Minh City, July 21, 2025 – DKSH Vietnam, a leading Market Expansion Services provider in Asia and beyond, has been recognized for the third consecutive year at the “Top 50 Corporate Sustainability Awards 2025”, organized by Nhip Cau Dau Tu Magazine. This year, DKSH Vietnam was honored in the prestigious category “ESG Leadership” (Governance), which acknowledges organizations demonstrating outstanding strategic vision, consistent execution, and strong governance in advancing sustainable development.

The “Top 50 Corporate Sustainability Awards” aim to highlight exemplary businesses that contribute to Vietnam’s sustainable economic and social growth. The “ESG Leadership” category is one of the most distinguished honors within the awards, focusing on companies whose leadership management demonstrates a clear, consistent, and systematic commitment to environmental, social, and governance (ESG) priorities.

The award serves as a testament to DKSH’s achievement of integrating sustainability into its core business strategy, decision-making frameworks, and daily operations, reflecting the company’s sustainability objectives to make DKSH value chains more sustainable and enable employees to flourish. DKSH Vietnam’s recognition in the “ESG Leadership” category is the result of a comprehensive and well-integrated approach to sustainable governance.

DKSH Vietnam is committed to working alongside the business community and local authorities to accelerate the adoption of sustainability practices in the market. By aligning with national priorities and supporting practical, on-the-ground initiatives, the company aims to contribute meaningfully to Vietnam’s sustainable and inclusive development goals. This commitment has resulted in tangible outcomes across DKSH Vietnam’s operations - from advancing energy efficiency and environmental efforts to fostering gender diversity and building a safe and inclusive working environment.

Hoang Thi To Nga, General Manager, Business Unit Performance Materials, DKSH Vietnam, received this recognition at the award ceremony and shared: “We sincerely thank Nhip Cau Dau Tu magazine for creating a platform that recognizes and celebrates corporate efforts in sustainability. This award serves as a meaningful encouragement to DKSH to remain steadfast in its commitment to sustainable development in Vietnam. As a trusted partner to the business community, we are inspired to continue advancing responsible practices across our operations.”

Kim Le Huy, Head Country Leadership, DKSH Vietnam, emphasized the company’s forward-looking vision: “ESG leadership is a continuous journey of progress that ensures every operational action delivers long-term value for both the planet and society. We look forward to continuing to expand our ESG initiatives in Vietnam and to contributing to the government’s vision of a green, circular, and inclusive economy.”
