Zurich, Switzerland, January 28, 2026 – DKSH has been certified as a Great Place to Work® for 20 entities across 16 markets in Europe and Asia Pacific. Being recognized as a Great Place to Work® in even more markets and as one of the “Fortune 100 Best Companies to Work For™ Southeast Asia 2025” highlights DKSH’s continuous ambition to create an excellent work environment.

The Great Place to Work® certification program is one of the most recognized standards for identifying and recognizing outstanding workplace cultures. This recognition is the result of a thorough assessment and an extensive survey of employees, which evaluates various aspects of workplace culture, including trust, leadership, and companionship. These recognitions affirm DKSH’s transformation into a high-performing corporate culture that prioritizes quality of management, talent identification and development, embraces diversity, and places employee engagement at its core. According to the survey, employees highly value the spirit of collaboration, openness, the supportive culture, and the credibility of leadership at DKSH.
