DKSH Enters Distribution Agreement with Syngenta in Thailand

DKSH has signed a distribution agreement with Syngenta Crop Protection (Thailand) Ltd., a leading science-based agriculture-tech company specializing in seed and crop protection innovation, in Thailand.

Bangkok, Thailand, September 7, 2023 – DKSH's Business Unit Performance Materials, a leading distributor of specialty chemicals and ingredients, has started a new partnership with Syngenta, the renowned global agribusiness company, in Thailand. Under the agreement, DKSH will provide business development, marketing, sales, logistics, and distribution services for Syngenta's livestock products such as Zyrox, Demand Duo, and Advion.

By leveraging DKSH's strong capabilities in animal health and Syngenta's legacy of innovation and quality, the partnership is poised to deliver exceptional benefits to farmers, veterinarians, and animal owners nationwide. Syngenta's product portfolio for livestock will now be accessible beyond its traditional agricultural channels and into the burgeoning livestock market through DKSH's extensive distribution network and highly experienced teams.

Kluaymai Nuchniyom, Managing Director of Syngenta Crop Protection (Thailand) Ltd., commented: "At Syngenta, we are dedicated to promoting sustainable agriculture and advancing the animal health sector now. By teaming up with DKSH, we gain a valuable ally to distribute our livestock products efficiently and reach even more customers who can benefit from our expertise."

Mathias Greger, Managing Director, Business Unit Performance Materials, DKSH Thailand, added, "This agreement marks a significant milestone in our journey to better serve our valued customers in the livestock, poultry, and swine industry. We are thrilled to partner with Syngenta, a company celebrated for its cutting-edge solutions, and we look forward to positively impacting livestock farming together."

This collaborative agreement serves as a testament to the unwavering dedication of both companies toward elevating animal health, hygiene, and overall well-being to new heights across Thailand. The partnership will help contribute to Thailand's economic development and foster a healthier, more sustainable future for all stakeholders involved.

About Syngenta

Syngenta Crop Protection stands at the forefront of agricultural innovation, dedicated to empowering farmers with cutting-edge technologies and sustainable solutions. With a prominent array of crop protection products for both plant and soil health, coupled with transformative digital solutions, Syngenta enables farmers to enhance productivity and make informed decisions. Operating in over 90 countries, their team of 17,900 employees work towards advancing agriculture on a global scale. Headquartered in Basel, Switzerland, Syngenta Crop Protection remains an integral part of the Syngenta Group, committed to shaping the future of farming. <https://www.syngenta.com/>
