Media Release

Curatis Holding AG announces CHF 3.0 million private placement with strategic investor

Liestal, Switzerland, 22 May 2026: Curatis Holding AG (SIX: CURN) today announces that it has entered into a definitive agreement for a private placement of a convertible instrument of CHF 3.0 million with a strategic Swiss investor.

Pursuant to the terms of the agreement, the investor will subscribe to a convertible instrument that may be converted into shares of Curatis Holding AG, with the underlying shares to be delivered from the Company's conditional capital. The instrument has been issued on prevailing market terms, and the transaction is anticipated to close today, subject to the satisfaction of customary closing conditions.

The proceeds from this financing will enable Curatis to accelerate the clinical development of its late-stage lead candidate, corticorelin. In particular, the funds will support the manufacture of clinical trial material for the planned Japanese and global Phase III studies, as well as broader preparatory activities for corticorelin.

About Curatis:

Curatis Holding AG is a publicly listed company (CURN.SW) specializing in the final development and commercialization of drugs for rare and very rare diseases. Curatis has a sales portfolio of more than 40 products and a pipeline of orphan drug products and specialist products. More information can be found on the website www.curatis.com.
